AUTOMATONS!
FROM OVID TO AI

SAINT MARY'S
UNIVERSITY SINCE 1802

Department of Physics

2018 LECTURE SERIES

WAR IN THE AGE OF INTELLIGENT MACHINES

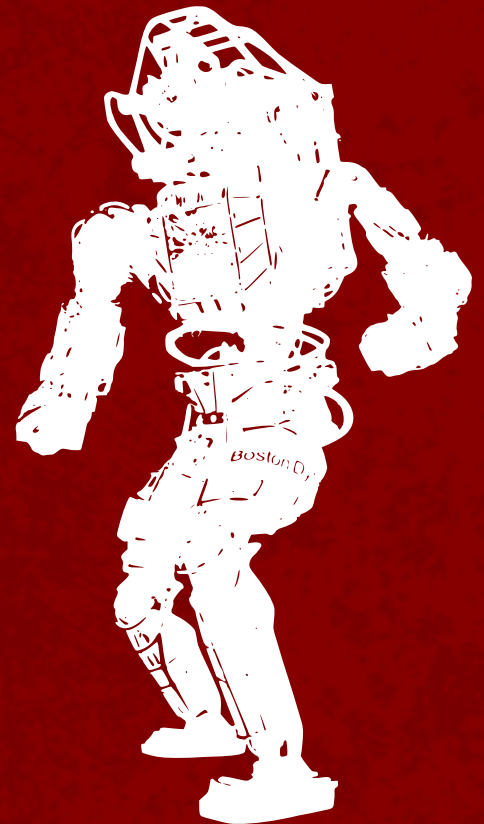

**A debate on the role of
autonomous weapons
and killer machines**

Dr. Noel Sharkey, Principal
Spokesperson, Campaign to Stop
Killer Robots

Dr. Duncan MacIntosh, Professor
of Philosophy, Dalhousie University

Moderator: **Dr. Letitia Meynell**, Department of Philosophy,
Dalhousie University

Dr. Noel Sharkey and Dr. Duncan MacIntosh debate
the role of autonomous weapons and killer machines.

What's this future going to look like? What's that mean
for us? To what degree should we be concerned?

7:00PM, March 21
Scotiabank Theatre,
